

PASC Policy Reference #100
Professional coaching services

Applicability

All PASC officials, including Coaches, Assistant Coaches, and Team Managers registered for and/or currently coaching/managing in Peace Arch Soccer Club.

Intent

To ensure players and teams registered in PASC are provided quality coaching that is in line with the club's philosophy and direction.

To ensure that PASC is in compliance with its professional coaching contracts.

Policy

All requests for paid professional coaching received or initiated by PASC teams, including those relating to team training, individual coaching and academy training, shall be forwarded by PASC officials to the manager of the PASC Academy (PASC Head Coach). The PASC Academy manager will facilitate training requests in accordance with PASC's policies and direction.

PASC officials shall not (independent of the PASC Academy manager) directly or indirectly arrange for any professional coach to train any PASC player or team.

Nothing in this policy shall preclude any individual parent (including any PASC official) from having his/her child attend professional training offered independent of PASC or the PASC Academy. This policy is merely intended to ensure that PASC officials/teams direct all professional training needs to the PASC Academy.
