Practice schedule overview - Fall/Winter 2011/2012

As you are likely aware, the introduction of the South Fraser franchise in the EA Sports BC Soccer Premier League, and our hosting of the U13 Metro team has added to the number teams using the fields at South Surrey Athletic Park

In the development of our practice schedule we have attempted to be as fair as possible in our allocations. We have attempted to be as consistent as possible with days of the week and with time slots

While we appreciate that by breaking down the schedule into periods can be confusing; we have used periods to accommodate all our users and to make things slightly easier.

Where schedules are at different times it is primarily due our attempts to accommodate requests by coaches for later times

Period one	August to September 2	Pre-season - contact Charles Evans for times
Period two	September 5 to October 7	As per period two tab
Period three	October 10 to November 11	As per period three tab
Period four	November 14 to February 3	As per period four tab
Period five	February 6 to March 9	As per period five tab

Warm up area is now divided into 1/4s
